Personal Gardens/Plantings Acknowledgement

I/we, the undersigned owners(s), acknowledge that I/we accept the maintenance of personal gardens, in accordance with the Rules and Regulations

Personal gardens are any plantings within the shrub beds (other than the standard shrubs), in the area in front of the porch, driveway strip plantings if initiated by the Seller, and any gardens around the perimeter of the building.

If the unit is sold, and the buyer does not agree to this, then the current owner must return the area to the original state prior to closing. (Separate Form to be completed for Unit Sale.)
