I wish to install solar panels on my unit. I have read the Rules and Regulations of Hatfield Village Condominium Trust, the association's Policy Regarding Installation of Solar Panel Systems and the sample Hatfield Village Condominium Trust Grant of Easement and I will comply with the terms of these documents.

Attached with this application are the following documents:

- ☐ Structural analysis confirming the roof will meet structural requirements.
- ☐ Solar contractor agreement.
- ☐ Solar panel layout and design.
- ☐ Plans and specifications, including a picture of the solar panels, as required by the association solar panel policy, step 1.
- ☐ Electrical diagram, if applicable.
- ☐ Contractor's insurance and warranties.
- ☐ Town of Hatfield permits.
